Preface

The twenty-eighth edition of *Library of Congress Subject Headings (LCSH 29)* contains subject headings created by catalogers and used in cataloging at the Library of Congress since 1898.

This edition contains headings established through August 2005. Responsibility for the maintenance of the data base is held by the staff of the Subject Headings Editorial Team under the direction of the editor, Ronald A. Goudreau. Bonnie Briscoe and Elizabeth Rinn edited headings in the data base.

The Cataloging Distribution Service (CDS) produced *LCSH* from records in the MARC21 subject authorities format. Authority and reference entries were generated from the MARC21 records, the entries sorted, and the data formatted. The resulting data file was used by a commercial printer for final processing.
